3. Required immunizations and titers.
4. Criminal Background Check and Drug Screen.
5. Current certificate from the **American Heart Association** Healthcare Provider CPR course. (Card must be valid for a minimum of one year from the beginning of ASU BSN Program courses)

ACADEMIC INTEGRITY STATEMENT

I hereby certify that all of the information provided by me in my application packet is true and accurate to the best of my knowledge. I understand that submitting false documents or making false statements may result in my not being admitted to the ASU nursing program OR my dismissal from the nursing program.

Applicant Signature   **Date**

Consistent with Section 504 of the Rehabilitation Act of 1973 (Section 504) and the Americans with Disabilities Act of 1990 (ADA), it is the policy of Appalachian State University that no qualified individual with a disability shall be excluded from, denied the benefits of, or be subjected to discrimination in any university program, service or activity. In accordance with Section 504 and the ADA, all applicants for the nursing program must be qualified individuals who are able to meet the essential competency requirements of the program, with or without reasonable accommodations. Essential competencies include the ability to meet the cognitive, affective and psychomotor requirements of the curriculum (i.e., critical thinking, communication, interpersonal skills, mobility, tactile ability, vision, and hearing). The Department of Nursing is committed to providing access to its programs to qualified individuals with disabilities. However, the Department of Nursing is unable to make accommodations that impose an undue burden, present a threat to the health or safety of the individual or others, or fundamentally alter the nature of the curriculum including didactic components, laboratory sessions, and clinical affiliations.

In order to be admitted to and progress in the Nursing Program, one must possess a functional level of ability to perform the role required of a registered professional nurse. Upon admission, a student will be asked to certify that he or she is able to perform all of the technical standards with or without reasonable accommodations. In addition, a student will be asked to obtain medical clearance from a healthcare provider certifying that the student is able to perform all of the technical standards. Admission and progression in the program will be denied if a student is unable to demonstrate proficiency in the technical standards. If a student cannot meet the technical standards with or without reasonable accommodations, the student will be withdrawn from the Nursing Program/Course and may appeal through the appropriate process.

Statement of Non-discrimination

Appalachian State University is committed to providing equal opportunity in education and employment to all applicants, students, and employees. The university does not discriminate in access to its educational programs and activities, or with respect to hiring or the terms and conditions of employment, on the basis of race, color, national origin, religion, creed, sex, gender identity and expression, political affiliation, age, disability, veteran status, or sexual orientation. The university actively promotes diversity among students and employees.
